A dispatch from San Francisco says:-The steamer Pelican, from Eureka, reports a frightful affair on the trip up the coast. A family from Indiana, having a sick girl 11 years of age, were passengers, and in the night the steward, a Malay, married to a white woman in that city, entered the sick child's room, drugged and ravished her. On the arrival of the steamer at Umpqua the citizens formed a lynch court and tried and sentenced him to death. He was then bound and placed in the stern of a small boat, which the citizens had selected by lot, and rowed up the stream out of the sight of the steamer. Shortly afterwards a shot was heard, and the party returned without Smith, and reported that he had gone on a long journey, and had concluded not to return and say much have The attraction of the say much have The attraction of the stream of the say much have The attraction of the stream of the say much have The attraction of the stream of the say much have The attraction of the stream of the say much have the say of the say much have the say of the say o and say good by. Thousands of persons who sang, in 1840, Tippecanoe and Tyler, too," and other popular songs of the Harrison campaign, were ignorant of their authorship. They were written by a young man of thirty years, who has just died at Toledo, Ohio, at the age of sixty one. John Greiner was born in Philadelphia in 1810; was a dealer in paints at Marietta in early life; afterward State libarian. He was a pioneer in the temperance movement, and showed that jollity and alcohol are not necessary concomitants. His chief political prefer-ment was the governorship of New Mexico, which he retained for about nine years. Another of his songs, the memory of which has survived to the present day, is "Old Zip Coon." He composed the airs for his ballads, and both words and music were received with popular enthusiasm.

A lady was killed by a falling beam, and several persons injured. The tornado at Montgomery. Illinois, three miles from Aurora, destroyed a lumber warehouse, and one or two other buildings. The dead bodies of two boys were found on the Pittsburg, Cincinnati and St. Louis railroad track, near this city, last evening. Dr. Jos. After June 30th next the pay of enlisted men in the army will be reduced to the ante-bellum standard, that is for infantry men \$13 per month, instead of \$16.
